Managing Your Personal E-Reputation – Part 3

3 What Potential Employers Are Watching For

 **Common Reputation Issues Faced Online**

What can you expect if you end up with a **bad reputation**? While every case differs, here are some of the **more common problems encountered**:

-  **Photos of you** being used without your permission.
-  **Unflattering information** or comments about your character or professional work.
-  **Incriminating information leaked or simply published in the process of a legal action or complaint.**
-  **Being digitally non-existent.** Not having a social presence can be a detriment in this day and age.

To be continued... What can you do about it?
