Productivl.T.y – For Internal Use Only

WHAT's New?

Creating Photo Album in PowerPoint 2007

PowerPoint 2007 has a built-in feature that lets you create photo albums within seconds.

By clicking on the *Insert Tab* and *Photo Album* icon, you can select the most appropriate photos for your presentation.

Read below to know more...

Creating Photo Album in PowerPoint 2007

1. Go to the *Insert* tab and click on *Photo Album* icon to open the *Photo Album* dialog box.

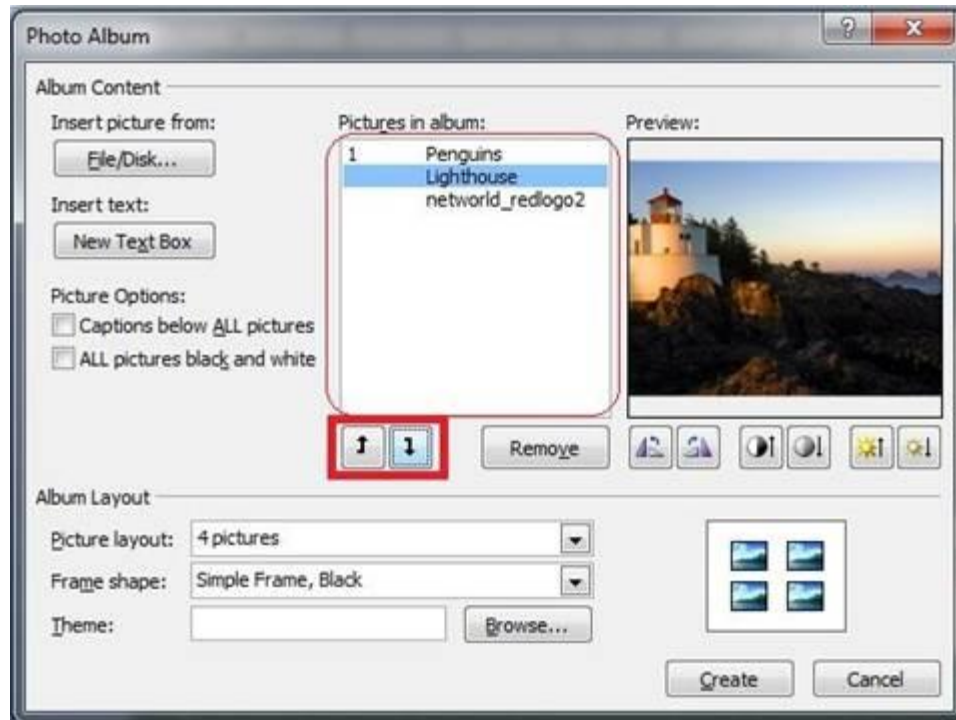

2. Click the button *File/Disk* to select images from your hard disk.

3. Click *Insert* button in the *Insert New Pictures* dialog box to add them in your presentation.

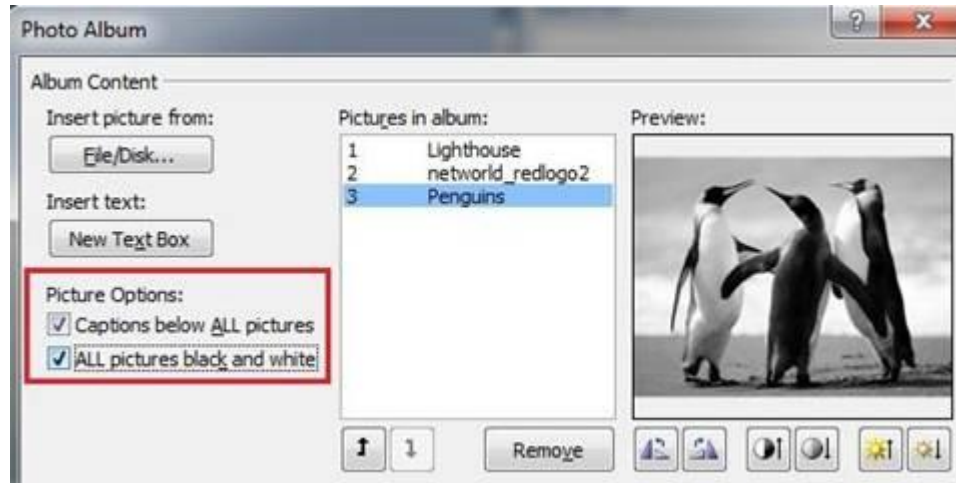

4. Use *Up and Down Arrow keys* to arrange the sequence of the images you inserted.

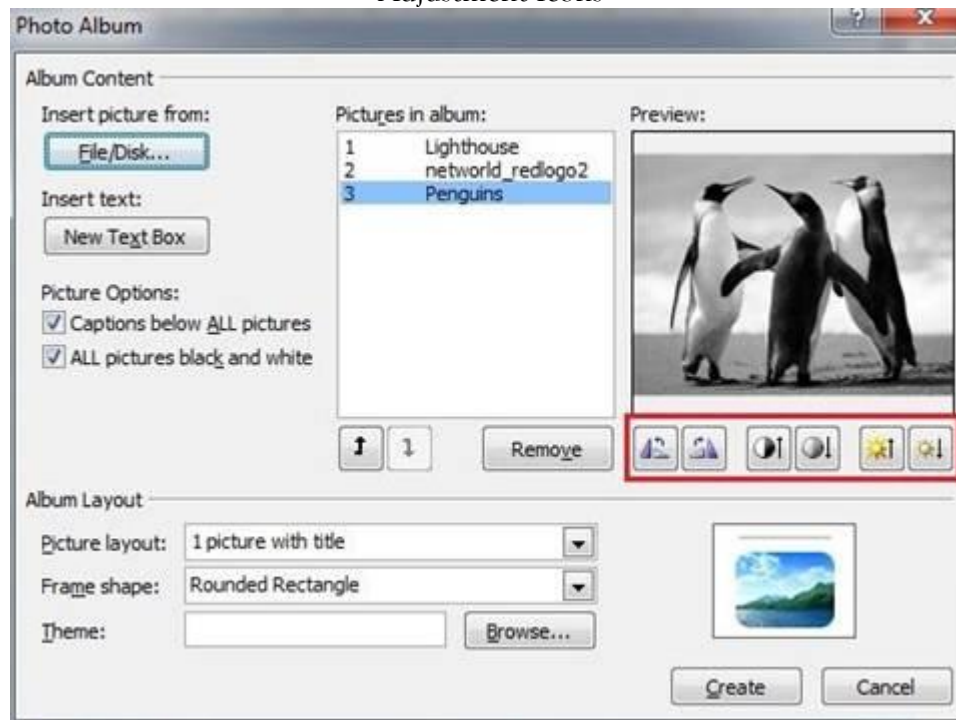

5. Add effects and fit your images to suit your needs by exploring *the Picture Options, Adjustment Icons, and Album Layout.*

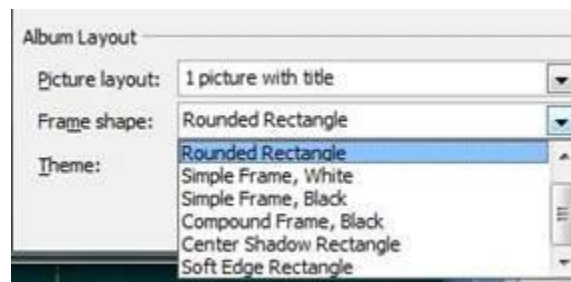

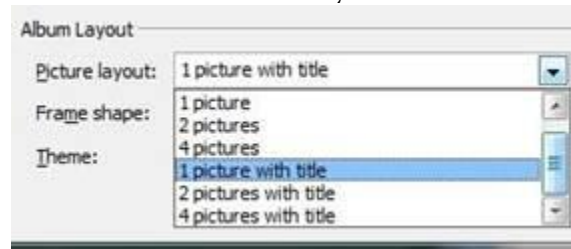

Picture Options

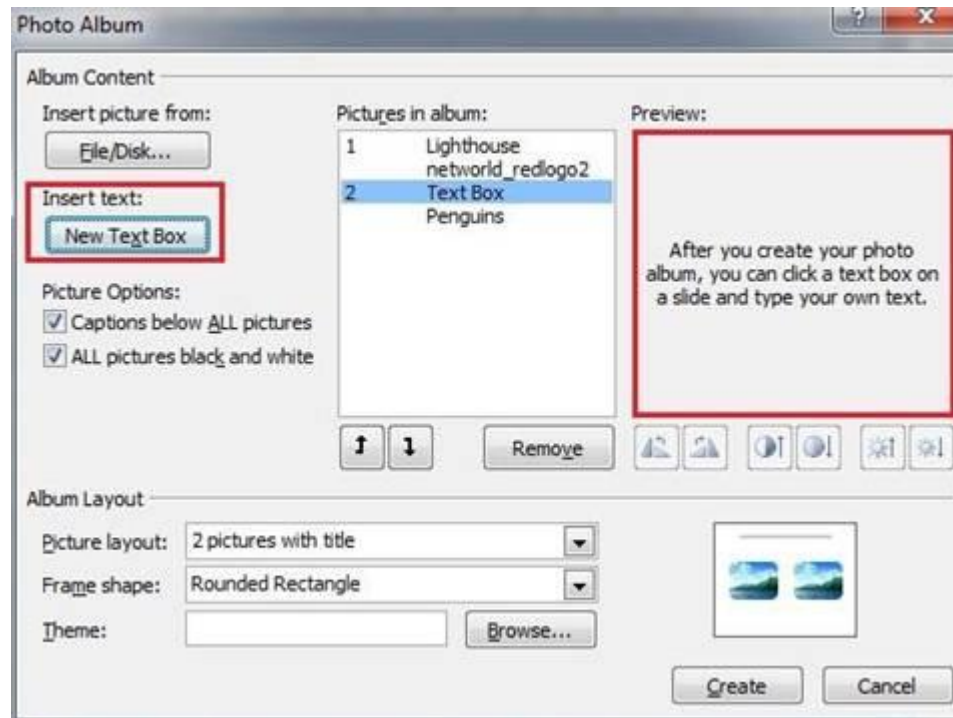

Adjustment Icons

Album Layout

- To add notes in your photo album, click on the **New Text Box** button. You can also add text even after you have created your photo album, just click the text box on the slide and type your own text.

7. Click on *Create* button and your album is ready.
